BRING MIRIAM'S KITCHEN TO YOU!

Are you looking for ways to connect your employees with mission-driven causes on the frontlines? Schedule a virtual lunch & learn! This session will engage volunteers, bridge the social distance, and discuss community impact.

SHARE A SOCIALLY DISTANT HELLO!

Write letters or leave a message for our frontline staff members, residents in our housing program, or our guests to share well wishes and help us all stay connected. You can address letters to Miriam’s Kitchen, ATTN E. Truffa, and we will forward them along!

SUPPORT DC BUSINESSES & SHOW LOVE TO FRONTLINE WORKERS!

Consider buying gift cards to DC small businesses or restaurants and sending them along to Miriam’s Kitchen frontline staff members! This will allow you to double your impact and show support for the community.
Have you become a mask-making master? Do you have clothing, shoes, or cleaning supplies to donate? Could you organize a large-scale in-kind drive? Contact us to learn more about current needs and how you can donate.

FUNDRAISE AS A TEAM ON BEHALF OF MIRIAM’S KITCHEN!

Bridge the social distance – start a virtual employee (or personal) fundraising campaign. You can also host a virtual event and accept donations on behalf of Miriam’s Kitchen! These campaigns are a great way to unite team members for a common cause. Consider utilizing a company match to double your efforts.

DO YOU HAVE OTHER IDEAS ON HOW TO HELP?
Please let us know! We’d like to hear about the other ways you are virtually volunteering. Let’s work together to meaningfully engage your organization and advance our mission. Be sure to check out our response to COVID-19 and our partners.
